PI-GROUPE

For a natural access to the new technologies within your enterprise, association or all other organization, we propose you the contract that it is necessary for you in order to perpetuate your enterprise according to your strategy of capitalization.

In the domains of the web, we can distinguish 5 types of contracts:

1. The contract of **website realization** paid in a global and inclusive manner.
2. The contract of **website realization** paid in a monthly manner with guarantee on at least 3 years on the big accounts, and 18 months for the small accounts.
3. The contract of **website realization** paid on the advertising spaces and partners via a percentage.
4. The contract of **website maintenance** .
5. The contract of **website sponsorship** .

In the domains Software, we can distinguish 3 types of contracts:

1. The contract of **service benefits** with guarantee on at least 9 months on the "small accounts."
2. The contract of **service benefits** with guarantee on at least 3 years on the "big accounts."
3. The contract of **renting of services data processing bouquets** paid in a monthly manner with guarantee on at least 9 months. Some of his/her/its services are only accessible after signature of the contract of partnership permitting to become member of the PI-GROUP network.
